

Hand Pallet Truck 2.5 Ton

When the manual pallet truck is in use, the fork that it carries is inserted into the pallet hole, and the hydraulic system is driven by the ability to realize the lifting and lowering of the pallet cargo, Hand Pallet Truck 2.5 Ton and the handling operation is completed by human pulling.

1、 Introduction of the Hand Pallet Truck 2.5 Ton

In addition to all the performance of a standard car, there are the following features

- Unique double-layer seal design, reliable and durable
- Raise quickly, two pressure range forks can touch the bottom of the pallet, which can save you half of the time compared with the standard type
- Hand Pallet Truck 2.5 Ton Ergonomically designed plastic handle, comfortable and labor-saving
- Unique integral stamping and forming beetle fork, not only the strength is 25% higher than that of ordinary forks, but also the appearance is more beautiful

2、 Product Specification of the Hand Pallet Truck 2.5 Ton

| Capacity | Minimum height (mm) | Max lift height (mm) | Length(mm) | Width(mm) | Wheel type | Load wheel size(mm) | Steer wheel size(mm) |
|----------|---------------------|----------------------|------------|-----------|-----------------|---------------------|----------------------|
| 2 | 80 | 200 | 1150 | 550 | Rubber/PU/Nylon | 70*80 | 180*50 |
| 2 | 80 | 200 | 1220 | 685 | Rubber/PU/Nylon | 70*80 | 180*50 |
| 2.5 | 80 | 200 | 1150 | 550 | Rubber/PU/Nylon | 70*80 | 180*50 |
| 2.5 | 80 | 200 | 1220 | 685 | Rubber/PU/Nylon | 70*80 | 180*50 |
| 3 | 80 | 200 | 1150 | 550 | Rubber/PU/Nylon | 70*80 | 180*50 |

| | | | | | | | |
|---|----|-----|------|-----|-----------------|-------|--------|
| 3 | 80 | 200 | 1220 | 685 | Rubber/PU/Nylon | 70*80 | 180*50 |
| 5 | 80 | 200 | 1220 | 685 | Rubber/PU/Nylon | 70*80 | 180*50 |

3. Hand Pallet Truck 2.5 Ton Feature And Application

Standard manual hydraulic pallet truck

·Hand Pallet Truck 2.5 Ton Using Baosteel's high-quality 4mm steel plate, reliable welding strength without breaking point

·Integral cast oil cylinder, the lowering speed of the oil cylinder is not affected by the load

·Hand Pallet Truck 2.5 Ton Imported sealing ring, chrome-plated piston rod

·Internal relief valve provides overload protection, effectively reducing maintenance costs

·Hand Pallet Truck 2.5 Ton The rotating shaft connection adopts high-quality radial roller bearings, which is flexible and does not shake

One-piece cast wheel frame and equipped with front and rear guide wheels to protect the matched wheels from impact and extend the life of the wheels

Conical arc fork design, fast and easy to enter and exit the pallet

Hand Pallet Truck 2.5 Ton The moving part is equipped with a wear-resistant guide ring, which absorbs the partial load and prolongs the service life

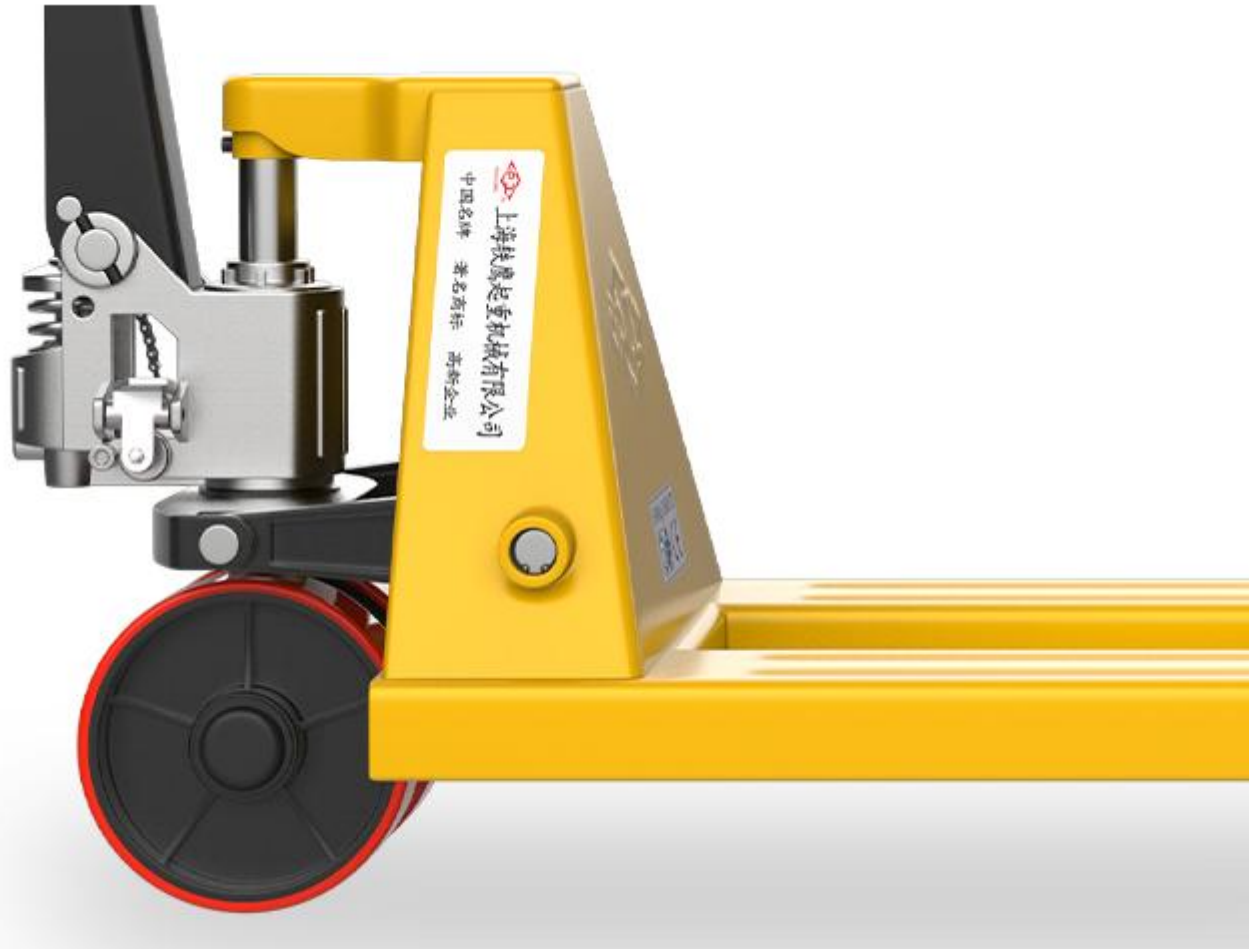

The handle fork is equipped with rubber pads, which greatly extends the service life

4. Hand Pallet Truck 2.5 Ton Details

For the forklift size, there are 550*1150mm and 685*1220mm for your choice, but we also can customize the fork size for you, so, if you have any special request, please feel freely to contact us. We will try our best to meet your requirement.

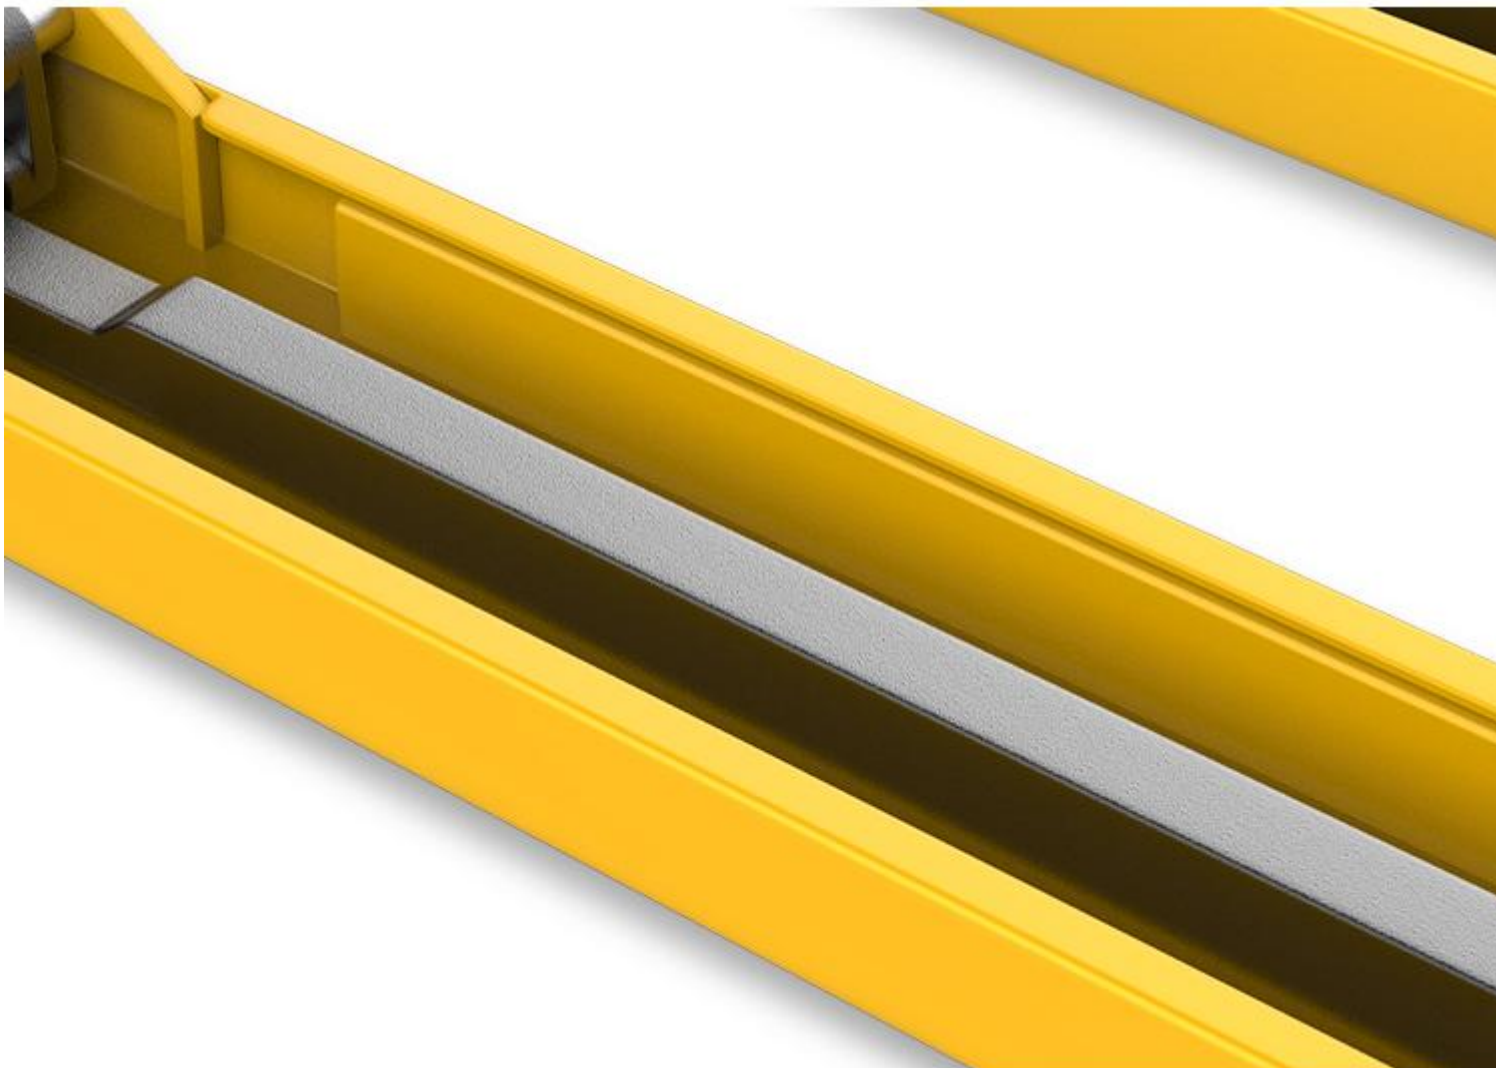

And here ,please check the weddig technology ,for the welding machine weld , the welding seam leveling increase the product carrying capacity and make its out look more beautiful.

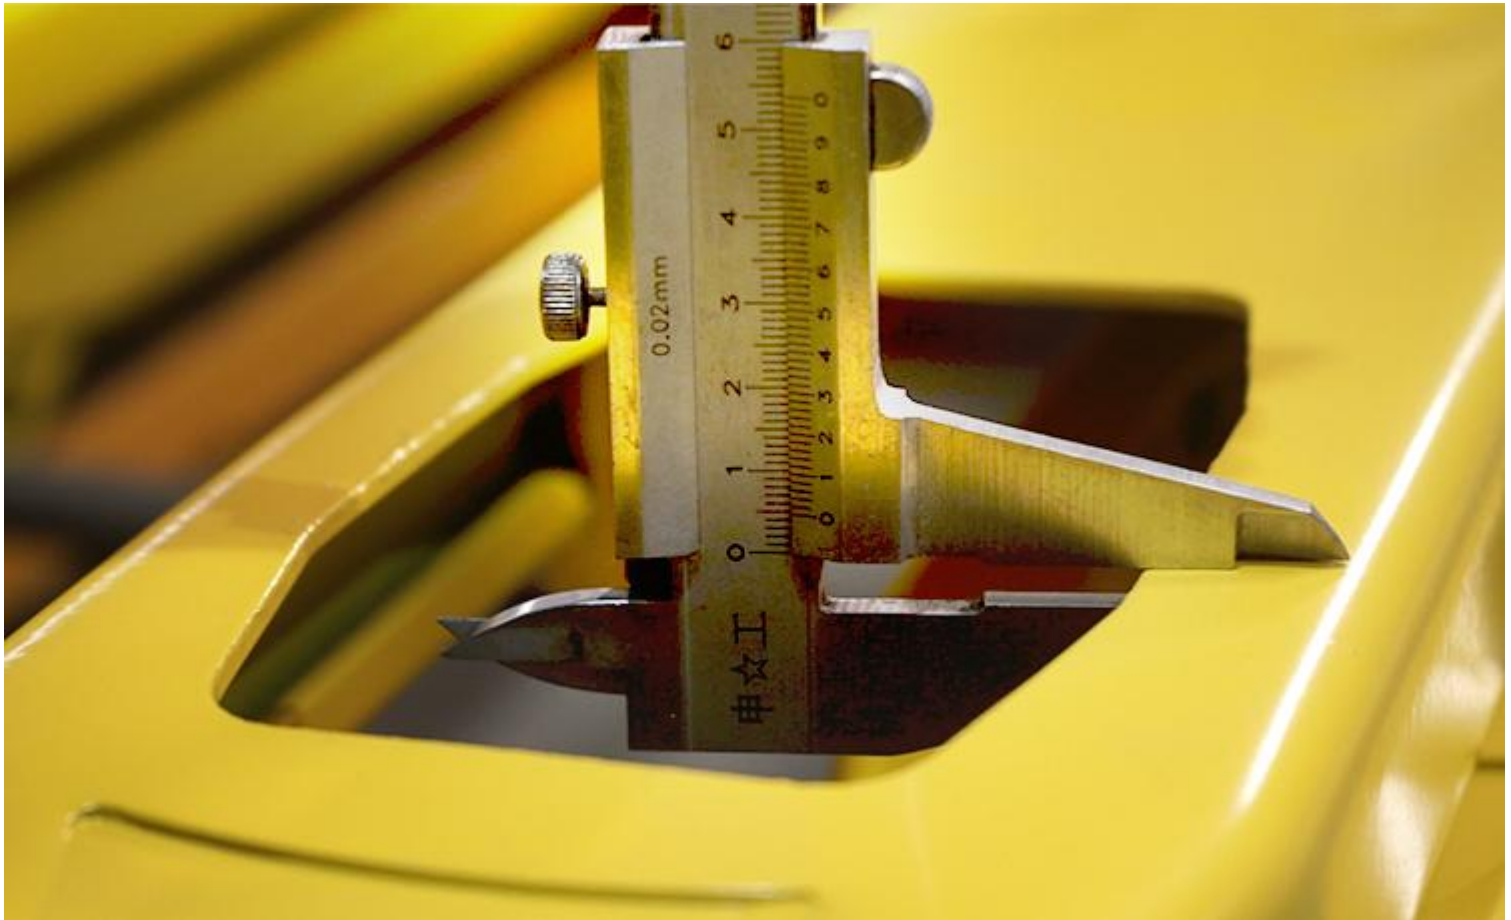

Rocker arm widened and thickened,when compared, you will see the different directly

After painting, the steel plate thickness can be 4mm, it's strong and durable. While others may be 3.75mm even 3.5mm.

The pallet truck have 4 fork stiffeners at the bottom,75cm each,that can guarantee full capacity and improve strength

5、 Product qualification

Shanghai Yiyong Crane Machinery Company is the hoist manufacturer Institute certified. This means we are one of the industry's leading suppliers of hoist equipment. We are reliable and deliver exceptional value.

Shanghai Yiyong Crane machinery Company supply 380V 440V 415V electric hoist 2ton.it is the most popular in Asia ,America and Canada ,It is beautiful ,strong and durable.we promise the electric hoist 2ton warranty is 2 years.and the hand cable is warterproofed,and we really welcome the treaders around the world join in us .

6、 Deliver shipping and serving

A 40-foot container, the delivery time is 5-10 days

Pre-sale Services : we have professional sales team as your guide to choose correct model and solve your problems timely, cooperated with engineering team、 technical department、 production department、 administration department、 accountant department、 document department, working time is 7x24hours.

The warranty period is two years, and accessories are provided free of charge

Sale services: one to one sales would in charge of all matters about your purchase order and would monitor shipping all the way till you got material, including proving documents , communicate with forwarder etc. Cooperated with production department、 technical department、 engineer department technical department、 packaging department、 logistic department to deal with related communications ensure your order would be proceed without any mistakes.

After-sale services : after-sales team will deal with all complaint from customers such as packaging ,quality ,shipping ,etc. We will surely exchange goods or make up lost if finally verify mistakes caused by our side, a promise is a promise !

7、 FAQ

1. Is your products customized?

Yes. Due to different working conditions, all Hand Pallet Truck 2.5 Ton are customized, depending on specific requirements, so if you can provide more information, we can prepare accurate solutions for you.

2. What information should I provide in my inquiry?

The more information you provide, the more accurate solutions will be ready for you! Information such as lifting height, lifting capacity, span, power supply or other special equipment you provide will be very useful.

3. How many operations have I chosen?

The standard configuration we provide is a suspension controller with buttons, and we can also provide a remote control or cab with buttons.

4. My workshop space is limited. Can I use it?

For low headroom workshop, we have special Hand Pallet Truck 2.5 Ton Our engineers will design the details for you.
